Maintaining children's safety and security on premises

Policy statement

We maintain the highest possible security of our premises to ensure that each child is safely cared for during their time with us.

Procedures

Children's personal safety

We ensure all employed staff have been checked for criminal records via an enhanced disclosure with children's barred list check through the Disclosure and Barring Service.

Adults are always within sight or hearing of other staff.

All children are supervised by adults at all times.

Whenever children are on the premises at least two adults are present.

We carry out risk assessments to ensure children are not made vulnerable within any part of our premises, nor by any activity.
